Key Discussion Topics :

The originally scheduled meeting on April 19 was at the same time as an advanced contra dance at Horizon. To avoid conflict and to encourage more SC meeting attendance, the meeting date was changed to Wednesday, April 22, 2009 at 6:30p. Angelika Pohl volunteered to host the meeting.

The May meeting for the Steering Committee will be on May 17, 2009 at 6:30 PM with the host to be determined later.

The minutes for the January 2009 and February 2009 meetings were approved as presented.

The Finance Committee will present its budget at the next meeting as Doug Singleton (accountant) is very busy during tax season.

It was reported that attendance at couple of dances lately has exceeded 160 and the Friday that Celticladda played the attendance was about 200.

A brief report was given regarding the “graduation” dance to be held at Morningside Baptist Church on April 3, 2009. It was noted that a historical timeline of CCD will be presented with dancers encouraged to list their own special events that occurred in their lives while we danced at MBC. A procession to the top of the hill outside the hall is also planned.

The president presented his expectations for the Steering Committee. Using examples from other dance groups, Rob suggested two members of the Steering Committee to be hosts at each week’s dance. He will draw up a schedule for hosts as well as a brief list of activities for the hosts. The list of hosts and their expected activities is open to revision and change as time progresses. Special badges will be provided to identify the SC hosts.

Steering Committee Meeting Minutes
March 22, 2009**

A report on the Band Committee activities was presented. There have been two “dancehall” style meetings – attendance was 15 at the first and 8 at the second. These meetings have been held to determine what dancers expect and want from the bands that play each week. Based on suggestions coming out of the second dancehall meeting, Rob met with a small contingent of musicians – Tim Cape, Scott Russell, Ann Whitley, and Jan Smith.

A discussion concerning the sound technicians followed. It was agreed that Chris Haynes is the preferred sound tech and that he should be hired for as many Friday dances as he can work.

A lengthy discussion was held regarding scheduling and local bands playing on Friday nights. Views regarding the scheduling practices and talent were expressed. Many members were dissatisfied with the current results of scheduling. A motion was eventually made by Robert McGregor and seconded by Robbin Ryan.

NOTE: Discussions among SC members after the 3/22 meeting revealed a lack of agreement upon the exact wording of the motion. Due to the differences between SC members on the actual motion, the SC voted unanimously at the 4/22/09 meeting to strike the March SC meeting vote to change the scheduling responsibilities.

Christin Whittington presented the Steering Committee with 36 dancer-submitted themes for the November dance weekend. Following a description of each idea, the committee voted for “Pirates of the Contra-bean” as the theme for our November dance weekend 2009. While the spelling of Contra-bean may be changed, it was felt that this was immaterial to the overall success of the themes costume and decorations possibilities.

The meeting was adjourned by consensus at 9:30 PM.

Respectfully submitted,

Sherry Kilpatrick
CCD SC Secretary
