### Finance

Last year's finances were discussed. To make up for 2014's shortfall of \$2034, a motion was unanimously passed to raise the admission fee for the Friday dance to \$10 every week, regardless of whether or not the band is local. This will go into effect April 1, 2015. The student rate remains unchanged.

### New Steering Committee Member

Jolie Fainberg has agreed to take Raymond's place and complete his term, effective April 1, 2015.

### Day of Fine Dancing

Our "Day of Fine Dancing" was discussed. This dance did not break even financially. Deanna felt it should have been better organized. We discussed a possible day for our next Sunday dance, but no decision was made.

### Homecoming Dance, April 10, 2015

The logistics of this dance were discussed. We have no one to take videos for this dance and Christin Whittington said she will ask Bill Porter if he is available to take pictures. It was decided that we need a ladder and a birthday cake, but did not decide who would be in charge of that. We decided against having the dance be a potluck.

### Dancing Soldiers Project

This project is in conjunction with CDSS. Deanna reminded us that at our 2013 dance festival, we auctioned off a T-shirt, and the money went to this project. We agreed to promote this project over a couple of dances. Deanna will contact the organizer to request informational material that we can set out at the weekly dance while trying to collect money.

### Volunteer Recruitment

Deanna passed out a list of CCD volunteer roles that she got from our website. Matt suggested that we offer a way for newcomers to sign up to be contacted to be volunteers. A good way to do this would be to come up with a flyer listing our volunteer opportunities. This flyer could be set out at the weekly dance, with a contact name for each opportunity. Matt said that he would bring us a prototype of the flyer.

### CCC Fundraiser, April 25, 2015

We will put out sign-up forms at the weekly dance for the fundraiser 5K.
