Finance

We are loosing ~\$1K/month. We brainstormed ways in which to offset this loss:

- Pursue grants
- Ask CCC to reduce rent or at least cancel the 5% increase.
- Reduce cost of security
- Do more marketing – outreach to colleges
- Move venue. Research private school gyms, Presbyterian churches, etc.

FUNdraiser March 2017

Coracree will be the band. Caller has not yet been confirmed.

Discussed ways to lower overhead:

- Buy the caller
- Sponsor the band
- Get a deal on the hall

SC Nominating Committee

We have a large list of recruits
