Finance 2016 ADW brought in an \$8600 profit. As of 12/23/16, the loss for the Friday dances stood at \$9040 for 2016. Thus, our net loss to date for 2016 should be close to \$450.
ADW 2016 Survey Results A summary of the 38 responses was given out
Speakers on loan from @GaGa It was voted to return the loaned speakers. Bill will notify Heitzso and arrange for a pick up.
Heitzso's Monetary Donation with requirements on its use The purpose of this monetary donation is to grow local dances. Rather than accepting the money, Heitzso will pay for the travel cost for the bands. Kimbi will assist in scheduling regional tour, but we will pay the band the normal cost
2017 Calendar Deanna read through the calendar
Child Care Service Discussed the possibility of arranging child care to attract young families to our dance. Kimbi will add child care inquiries to the upcoming survey.
Wrist Bands It was voted to discontinue wrist bands for the regular Friday night dances. It was discussed that the cost did not outweigh the outcome.
Contracted Sunday We have 1 free Sunday left that we need to use or lose by April 1, 2017. It was discussed that a social, non-dance event might be nice, as when we dance, we don't get much time to really visit with each other. Look for an available Sunday in January for a pot luck, board games, karaoke, etc event.
