Nominating Committee Follow-Up

Janet is having difficulty getting 3 nominees. Sri Nori has agreed to come on. It was suggested that a reduced board size might have advantages.

Increasing Revenue

Suggestions were: Annual membership fees of \$30/yr which would allow a member discounted dance entrance fees. Ask for annual donations at the end of the year, stressing that it's tax deductible. Change the fee structure for paying bands & callers to a minimum plus plan. Ask CCC to reduce our weekly rate or change our lease to a sustainability model where our rent is minimal and we split the profit with them 80/20.

ADW Update

We are ahead on registrations this time last year (114 this time last year – 153 currently registered)

General Meeting with Dance Community

Scheduled for Friday before the dance, Oct 27th.

CCD Response to comments on FaceBook & Listserv

An appointed moderator should respond to harassment, dangerous dancer & quality of dance comments with a standard response ensuring the community that the noted issues are being addressed.
