<p>Finances Money raised by the November dance weekend, auction proceeds, private donations and dance sponsorships totaled more than \$13,500. This brings our overall loss year to date down to \$9,700.</p>
<p>CCD Name Change Doug Singleton has completed the process with the state. The CCD’s official name is now changed to Chattahoochee Contra Dancers. This needs to be changed on all electronic and printed material. Carole Bennett will contact Diane (designer of our logo) to change the logo and send us the master copy.</p>
<p>Alternate Venue Beginning Jan 19, 2018, CCD will begin dancing at the Decatur Recreation Center. The weekly cost is half of what we are currently paying. Due to conflicting events, there are some dates that we will either need to cancel dance, or find an alternate location. Dave Marcus will contact the Clarkston Community Center to see if we can arrange to use their facility on these dates.</p>
<p>Caller Stand We will design and build a caller stand and affix a plaque recognizing George Snyder.</p>
<p>Available Seat on the Steering Committee Adriana Leikind has agreed to fill Maggie’s available board position. It was voted and unanimously approved.</p>
<p>Cheap Trick Workshop Members of the band, Mavish conduct a workshop showing musicians how to fire up dancers. We would like to offer this workshop to interested musicians – this would ultimately benefit our dances.</p>
<p>Band Initiatives Contact regional dance organizers to learn who their favorite up and coming bands are. We should be able to discover hot bands that we have not yet heard of in Atlanta this way.</p>
<p>Band Development Committee This committee needs to be reframed.</p>
<p>Dancer Behavior A closed meeting followed the open SC Meeting to bring new SC Members up to date on the issue of behavior problems.</p>
<p>-- end --</p>
