George was a vibrant member of Chattahoochee Country Dancers. Please join us for a few easy, beginning level dances, followed by more traditional dances. Instruction will be provided before each dance.

Please bring pictures, videos, and any other George memorabilia to the celebration. If you can bring a dish or drink to share for the potluck that would be great. There will be some alcohol provided but you are also invited to BYOB, as George himself loved imbibing on occasion. :)
